Spring Sports Start Monday April 19th!

If you are interested in playing softball or track & field, please [click here and fill out this google poll](#). Please reply as soon as possible in order to be eligible for spring sports.

Also in order to participate in any sport, you will need a physical on file with Nurse Claudette from within the last two school years (18-19 or 19-20) and a completed pre-participation form. You can deliver paper copies of the forms to the main office, or email a digital copy to Jess Lindsay or Nurse Claudette.

Please also be on the lookout for an email from your coach with more info about the upcoming season!

Upcoming Events

April 4th - Easter Sunday

April 30th - Superintendent Conference Day - No school for students

A Note from Nurse Lowery...

We are in need of up-to-date physicals & immunizations for this school year. The Department of Health states these documents must be on file even if you attend remotely. Please email all health documents to ywcpnurse@youngwomenscollegeprep.org. Remember you need an updated physical and immunizations to play sports and to obtain your work permit.

Did you know parents can now log on to PCx?

You should have received information on how parents can access our learning management system, **PCx**. Parents can see student assignments and updated grades for their daughter at any time. Please contact any of your child's teachers for further guidance.

FLEX Friday

Every Friday students should be signed on and ready to attend Advisory and Scholar Block beginning at 9:00 a.m. Advisory counts toward each student's overall yearly attendance. All Advisories that have 100% attendance will be receiving a "prize" through the mail.

Advisory is a significant part of YWCP! This is a time where students can connect with each other and important school information is shared and discussed. Scholar Block is a time where students will receive support on assignments.

Happy Birthday Griffins!

Staff Spotlight

Dr. Deb Hoeft

Special Education Teacher

Dr. Hoeft has been part of the YWCP staff since the summer of 2014. Before joining YWCP, Dr. Hoeft worked at the Greece Central School District as the Assistant Superintendent of Student Learning and Student Services. Additionally, she worked at Monroe BOCES #1 as an Assistant Principal, Rush-Henrietta in the area of Special Education and Curriculum and Development and the Butler Area School District in Butler, Pennsylvania as a Special Education teacher. Dr. Hoeft graduated from Nazareth College with a Bachelor's Degree in Elementary Education and received her Post-Baccalaureate and Masters' Degree from Slippery Rock University in PA. She received her Doctorate in Curriculum and Instruction from the University of Rochester. She also works at St. John Fisher College as an Adjunct Professor and College Supervisor.

Dr. Hoeft joined YWCP to continue her work in helping all students graduate as successful and confident young ladies. Dr. Hoeft is also the Varsity Cross-Country Coach, Modified Track Coach and the YWCP Coach for the Rochester Area Girls on the Run Empowerment Program. Outside of teaching, Dr. Hoeft loves spending time with her husband and the rest of her family. She also loves to run, work-out, read and travel. She has a continuing goal of being a lifelong learner!

Griffin Parents

We need your help!

Please guide and support your daughter's remote learning by ensuring that she:

- **Attends each block/class** she is scheduled for by logging on to PCx and reporting to the teacher's Live Lesson Classroom.
- **Reports on time** for each block/class - 9:00, 10:30, 12:30, 2:00
- Participates and **stays engaged in each block/class.**
- **Complete assignments** for all classes EACH WEEK.
 - This includes 2 block/class assignments for each class AND one independent learning assignment for Math, ELA, Science, SS, and Spanish classes.
- **Utilizes daily work period block** to complete assignments.
- **Find a quiet space** to complete assignments.
