

Young Women's College Prep Fall 2021 Reopening Information

Young Women's College Prep is fully committed to opening school for all of our students grades 7-12 in-person five days a week for the 2021-22 school year. In early August, the State announced it would not be issuing new guidance for schools. However, the State Education Department, the NYS Department of Health and the Monroe County Department of Health did recommend that schools base their reopening plans on the Centers for Disease Control (CDC) guidance released in July.

Therefore, based on the CDC guidance, the following precautions will be in place when school opens on Thursday, September 9th.

- Universal masking when indoors for all students and staff regardless of vaccination status. Masking will be optional when outdoors.
- Handwashing reminders to students throughout the day
- Hand sanitizing throughout the day
- Sanitizing rooms and high traffic areas regularly

YWCP is committed to providing a safe environment, while returning to "normal" as much as possible. Therefore, this year we will be:

- Establishing protocols to allow for parent events and visits to the school
- Looking to offer field trips, when possible and safe
- Allowing in-person extracurricular clubs and activities
- Allowing in-person open houses and back to school events

All of the above will require universal masking and distancing whenever possible.

YWCP will continue to review and adjust these protocols as the school year progresses. More information is available in the FAQ document linked below. If you have a general question that has not been answered, please contact our COVID Coordinators at any time.

COVID COORDINATOR: Crystal Rupp, Associate Principal - 585.254.0320 ext. 1340

COVID COORDINATOR: Claudette Lowery, School Nurse - 585.254.0320 ext. 1260

Return to School: Please note that NYS DOH regulations require students/staff who have COVID symptoms to have a PCR test in order to return to school: [NYS DOH Testing Requirements](#)
